The TECway™ Advantage

SmartSourcing Without Compromise

With many companies offering IT services, TECway, LLC stands out above their competition with the combined experience of 30 years working in the IT industry.

TECway prides itself on enabling you, their clients, with real-time, advanced, affordable IT solutions that make a genuine difference in the capabilities of its customers, paving the way for short and long-term growth of your company. TECway envisions itself as a strong partner with the small and medium-sized business community, providing a consistent, personal touch that adds value to your business.

Software Configuration Management and Training

Software Configuration Management (SCM) and Training includes managing the configuration of the software work products throughout the software life cycle, systematically controlling changes to the configuration, and maintaining the integrity and traceability of the configuration. This includes not only the source code, but all items that are critical to program success.

- Microsoft Server 2000 and 2003
- Microsoft Small Business Server 2003
- Lotus Notes
- Microsoft Office
- Microsoft Exchange Server

Office Setup

Office Setup is an important aspect for your business. Whether you are a small or medium sized business, network and phone systems need to be set up properly and maintained for optimum performance.

- Network and Phone System Cabling
- Network Configuration and Future Scalability
- Advanced Interoffice Phone Setup and Training
- Setup for offsite Network Solutions

Offsite Data Hosting & Backup

Offsite Data Hosting protects your business Website and E-mail without ever having to worry. TECway will install, host, and manage Web and Lotus Notes E-mail.

- Website with unique domains
- E-mail Hosting with Spam and Virus protection
- Offsite Bata Backup provided by a industry leading company, DataPreserve

Credit Card Processing

Looking to offer your clients more options? Adding a merchant account gives a piece of mind when making payments for your products or services.

- 1 out of every 2 transaction processed in the USA is provided by First Data.
- Competitive rates for Visa and MasterCard transactions
- Advanced solutions such as Gift/Loyalty Cards

Contract Negotiation, Maintenance and Administration

TECway serves as your liaison between your business and outside vendors such as communication companies, Internet providers, facilities and any service provider who is involved in your technology.
